A definitive guide to verifying digital content for emergency coverage

Authored by leading journalists from the BBC, Storyful, ABC, Digital First Media and other verification experts, the Verification Handbook is a groundbreaking new resource for journalists and aid providers. It provides the tools, techniques and step-by-step guidelines for how to deal with user-generated content (UGC) during emergencies.

Factchecken – delen - kinderen

De helft van de kinderen in de leeftijdsgroep 9 – 12 jaar zou een vaag bericht wel delen. Willen weten wat anderen er van denken is een belangrijke motivatie.

Overall mening delen  50% 45%

■ Ja
■ Nee
■ Twijfel

Kinderen geven de volgende argumenten om wel/niet te delen**:

Ik deel het wel

Ik deel het niet

Q: Deel je zo'n bericht of filmpje? n=6067

** Ook antwoorden van de groep 'Twijfel' zijn in onderstaande percentages meegenomen.

Ambitions FHJ Verify and our role working with Factbar.EU

- place in the curriculum - **integrated throughout curriculum**
- students - **all students**
- period - **all the time except holidays/vacations!**
- content - **all content that contributes to public discourse/discussion**
- relation to national politics and/or elections - **plans to live fact check during Dutch elections march 2017**
- Possible cooperation with other Dutch organisations – **Experts, ICT experts to handle big date**
- Access to FHJ verify portal – **to share experiences and knowledge**
- cooperation with other EJTA members - **to be continued**
