## EUFACHECK NEWSLETTER FEBRUARY 2020

### **Publications on [www.eufactcheck.eu](http://www.eufactcheck.eu)**

In autumn semester (Nov. 19 - Febr. 20) we published 21 fact checks and 10 blog posts, thanks to the colleagues from Vienna, Milan, Chelyabinsk, Utrecht, Zagreb and Antwerp. We hope all participants will start publishing again soon. In the Output Report most of you said you wanted to continue.

Call for action: tell us **before 28 February 2020** whether you continue joining Eufactcheck and at which rhythm you'll be able to publish in spring 2020 (fast: 6 / medium: 4 / slow: 2 + 2 blog posts each). We have 17 weeks between the beginning of March and the end of June 2020.

**Send a mail to Nadia: [publication rhythm and timing of your Eufactcheck students.](#)**

### **Train the trainer in Ljubljana on 13-14 February 2020**

We welcome 43 participants out of 17 countries with NEW participants from Bulgaria, Croatia (Dubrovnik), Czech Republic, Germany (Jade), Macedonia, Montenegro, Poland, Romania, Russia (Moscow), Serbia, Slovakia, Slovenia and Ukraine. We're also very happy that some 'old tigers' will participate and help with the workshops and hands on sessions. We hope to move to full production with these new participants soon.

### **Manual**

In Ljubljana we'll launch our manual 'Eufactcheck: A pan-European project. Methodology and lessons learned.' 121 pages full of practical takeaways and concrete process and project descriptions. We intend to publish the pdf-file on [www.eufactcheck.eu](http://www.eufactcheck.eu) and [www.ejta.eu](http://www.ejta.eu) and we hope to have a hard copy for every EJTA member present at the AGM in Vienna (14-15 May 2020).

Both the Train the trainer and the manual are funded by the Evens Foundation.

### **Council of Europe Prize for Fact Checking**

In Vienna the Council of Europe will award a prize for the Eufactcheck publications that show best the analytic methodology and critical approach.

The prize award will probably take place on 14 May 2020 evening (EJTA dinner).

### **Next Eufactcheck meeting**

We plan a meeting the day before the EJTA AGM, 13 May 2020: details follow later.

### **Slack**

We miss you on Slack! Make sure you're all back soon!
